## **LCFF Budget Overview for Parents**

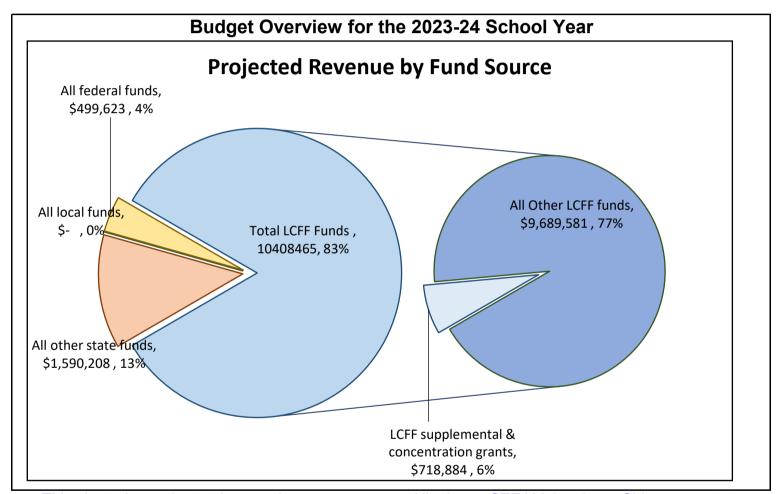

Local Educational Agency (LEA) Name: Allegiance STEAM Academy Chino

CDS Code: 36-67678-0137547

School Year: 2023-24

LEA contact information: Sebastian Cognetta, Chief Executive Officer Email: sebastian.cognetta@asathrive

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

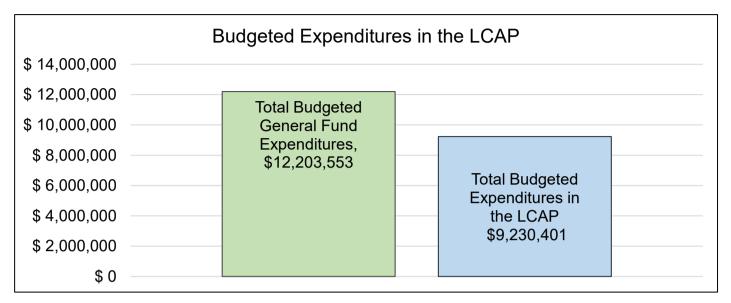

This chart shows the total general purpose revenue Allegiance STEAM Academy Chino expects to receive in the coming year from all sources.

The text description for the above chart is as follows: The total revenue projected for Allegiance STEAM Academy Chino is \$12,498,296.00, of which \$10,408,465.00 is Local Control Funding Formula (LCFF), \$1,590,208.00 is other state funds, \$0.00 is local funds, and \$499,623.00 is federal funds. Of the \$10,408,465.00 in LCFF Funds, \$718,884.00 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

## **LCFF Budget Overview for Parents**

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Allegiance STEAM Academy Chino plans to spend for 2023-24. It shows how much of the total is tied to planned actions and services in the LCAP.

The text description of the above chart is as follows: Allegiance STEAM Academy Chino plans to spend \$12,203,553.00 for the 2023-24 school year. Of that amount, \$9,230,401.00 is tied to actions/services in the LCAP and \$2,973,152.00 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

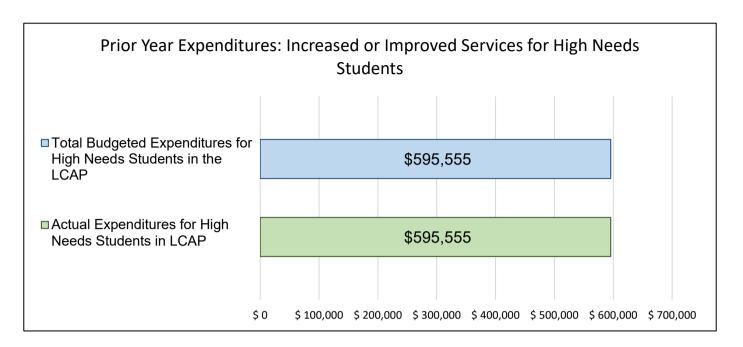

Budgeted General Fund Expenditures not included in the 2023-24 Local Control and Accountability Plan include facility rent, operating costs, and administrative expenses.

Increased or Improved Services for High Needs Students in the LCAP for the 2023-24 School Year

In 2023-24, Allegiance STEAM Academy Chino is projecting it will receive \$718,884.00 based on the enrollment of foster youth, English learner, and low-income students. Allegiance STEAM Academy Chino must describe how it intends to increase or improve services for high needs students in the LCAP. Allegiance STEAM Academy Chino plans to spend \$718,884.00 towards meeting this requirement, as described in the LCAP.

# **Plan Summary [2023-2024]**

#### **General Information**

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Allegiance STEAM Academy Thrive (ASA Thrive) was established in 2018 for students in grades Transitional Kindergarten through 8th grade in the Chino Valley and surrounding communities by a group of parents desiring school choice in their community. ASA Thrive operates under the authority of the Chino Valley Unified School District and is a STEAM-focused school complemented with World Languages, including Spanish and Mandarin.

The mission is to teach students the academic, social-emotional, and character skills needed to be college and career ready. ASA Thrive students will develop as critical thinkers, civic leaders, and socially responsible citizens that are integral to their communities and beyond. The vision of ASA Thrive is to establish a safe school environment in which students are inspired to take risks to gain skills to be successful in the local and global communities. Allegiance STEAM Academy Thrive will be a harbor of innovation and accountability where students, staff and families are key collaborators in the decision-making processes. By providing a school based on best practices, Allegiance STEAM Academy Thrive will be a change agent in the community.

We are ASA Thrive. We are part of the fabric of public education in the Chino Valley. We believe a STEAM-focused education provides students the competitive edge in future STEAM-related careers as well as those careers outside of the expanding STEAM umbrella. We take pride in providing a high-quality education for every child.

#### **Reflections: Successes**

A description of successes and/or progress based on a review of the California School Dashboard (Dashboard) and local data.

Based on I the California School Dashboard (Dashboard) and local data, ASA Thrive students continue to outperform similar schools across the county and state. ASA Thrive prioritized academic intervention and mental health support in 2022-2023. These interventions and supports were appropriately timed but will require further implementation in order to support students.

Local Control and Accountability Plan TemplatePage 1 of 19

ASA Thrive, in a year where California schools experienced a drop in enrollment of .67% from 2021-22 to 2022-23, ASA Thrive's enrollment increased by 7% in the same time period.

#### **Reflections: Identified Need**

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

Evaluating the 2022-23 school year relative to the LCAP goals, ASA Thrive has identified the following areas of need:

- 1. academically supporting all students in mathematics core instruction
- 2. providing tier 2 and tier 3 supports in mathematics and literacy
- 3. supporting students' mental health and social emotional needs
- 4. engaging families productively and positively

## **LCAP Highlights**

A brief overview of the LCAP, including any key features that should be emphasized.

ASA Thrive's LCAP is grounded in the charter petition and organized around three goals:

- 1. All students will experience a rigorous STEAM-aligned, standards-based curriculum delivered by highly qualified staff that will lead to demonstrated growth as measured by site, state, and federal assessments.
- 2. ASA Thrive will provide stakeholders access to real-time relevant information regarding school operations, finances, governance and student learning.
- 3. ASA Thrive will provide a school environment which fosters physical and emotional security and focuses the school climate on creating opportunities for students to take risks to gain the skills required in the STEAM fields.

The 2023-24 LCAP highlights include an emphasis on attracting and retaining high performing educators, providing students targeted instruction and support, and providing both school-wide directed and employee-led professional development.

## **Comprehensive Support and Improvement**

# **Engaging Educational Partners**

Local Control and Accountability Plan TemplatePage 3 of 19

A summary of the process used to engage educational partners and how this engagement was considered before finalizing the LCAP.

The annual and ongoing engagement of educational partners is a key component of ASA Thrive's LCAP development process. It is important that the goals, actions, expenditures, metrics, and targets within the LCAP are informed by the voices of students, families, staff, and community members. The educational partner engagement process for the 2023=24 LCAP has built upon the foundation established by the input informing the 2022-23 LCAP, the Educator Effectiveness Block Grant Plan, and the Extended Learning Opportunities Program plans.

A range of educational partner engagement activities occurred throughout 2022-23 including School Site Council meetings, English Learner Advisory Council (ELAC) meetings, Conversations with the Community, Regular and Special Board Meetings, and Educational Partner Surveys. The input received from these activities helped to further articulate the community's priorities for ASA Thrive and to inform the annual development of the LCAP.

- ELAC
- Conversations with the Community
- Regular and Special Board Meetings
- Surveys

#### A summary of the feedback provided by specific educational partners.

The following themes listed under their respective Goals were prevalent as priorities:

#### Goal 1: Conditions of Learning

Ensure that students performing below and above expectations are appropriately supported

Continue to attract and retain highly-effective educators

#### Goal 2: Engagement

Continue providing Educational Partners real-time information on operations, finance and governance

Improve communication to parents in the area of student learning, namely in the enrichment areas

Increase volunteer opportunities

#### Goal 3: Culture and Climate

Implement effective practices regarding school culture and climate, conduct and expectations

Provide comprehensive anti-bullying support

A description of the aspects of the LCAP that were influenced by specific input from educational partners.

Local Control and Accountability Plan TemplatePage 4 of 19

Revisions to existing goals, measurable outcomes, and actions are annually influenced by educational partner input. Notable examples from this year's engagement efforts include:

- Increased academic support for students who are high performing
- Continued prioritization of intervention and mental health supports
- Professional Development in anti-bullying and trauma-informed practices expand on employee supports through Classified Grant, Educational Assistance, and Residency programs

## Goal Analysis for [2022-23]

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

ASA Thrive's implementation of the actions within Goal 1 closely matched the plan despite the uncertainties and disruptions brought upon by COVID-19. While all actions were implemented, Action 1.3, Intervention, was the most impacted by the uncertainties and disruptions experienced in 2021-22. Due to staffing shortages and required quarantining/isolating of staff members across the year, the 5 member intervention team was reduced to 2 members to address regular staffing shortages.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There was no material difference between Budgeted Expenditures and Estimated Actual Expenditures of Improved Services within Goal 1.

An explanation of how effective the specific actions were in making progress toward the goal.

The implementation of actions within Goal 1 have furthered ASA Thrive's efforts to achieve the goal, "all students will experience a rigorous STEAM-aligned, standards-based curriculum delivered by highly qualified staff that will lead to demonstrated growth as measured by site, state, and federal assessments."

- 1.1 Hiring Protocol: ASA Thrive, despite state-wide staffing shortages, was able to staff all general and special education positions with certificated educators.
- 1.2 Instructional Materials: All students had access to both digital or hard copy instructional materials aligned to CCSS and ASA Thrive's STEAM-aligned instructional program.

- 1.3 Intervention: An intervention team of certificated staff members provided targeted academic interventions to students performing below grade level in reading and mathematics.
- 1.4 Professional Development: All teachers participated in professional development focused on STEAM-aligned instruction, the Engineering Design Process, and implementation of instructional materials.
- 1.5 Expanded Learning- Summer School: Summer School was provided for students identified as having experienced the greatest amount of disruption to their learning prior to the start of the 2021-2022 school year.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

1.3 Originally designed as a 5 member team, the intervention team was reduced to 2 individuals due to ongoing staffing shortages and frequent quarantining or isolating of staff members due to CDPH requirements.

# Goal Analysis for [2022-23]

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Local Control and Accountability Plan TemplatePage 12 of 19

ASA Thrive's implementation of the actions within Goal 2 closely matched the plan with some insubstantial differences. While all actions were implemented, Action 2.1 differed in respects to planned versus actual implementation.

2.1: Survey Data: Educational Partner Survey participation remained lower than anticipated at approximately 40% of parents/guardians.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Differences between Budgeted Expenditures and Estimated Actual Expenditures of Improved Services within Goal 2 were a result of the disruptions and uncertainties associated with COVID-19.

2.1: Survey data was performed using the Google Forms application rather than a fee-based tool such as SurveyMonkey.

An explanation of how effective the specific actions were in making progress toward the goal.

The implementation of actions within Goal 2 have furthered ASA Thrive's efforts to achieve the goal, "Allegiance STEAM Academy Thrive will provide stakeholders access to real time relevant information regarding school operations, finances, governance and student learning."

- 2.1: Survey Data: 95% of parent survey respondents strongly agree or agree that ASA keeps the community updated on school-related topics, including finances, operations, governance and learning. ASA Thrive's continued prioritization of transparency for educational partners is effective in making progress towards Goal 2.
- 2.2: School Site Council: School Site Council (SSC) continues to be instrumental in helping ASA Thrive make progress towards Goal 2 as SSC consists of engaged staff members, students, and parents who volunteer their own time to advance the goals of the school and its mission.
- 2.3: Parent Portal: Parent Portal provides parents real time access to student grades, assignments, and attendance.
- 2.4: Parent Events: Both in-person and virtual events have helped ASA Thrive progress towards goal 2 by providing opportunities for educational partners to come together to discuss the business of the school. These events are essential in building community and strengthening communication.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

- 2.1: Survey Data: Increasing participation in educational partner surveys will be a focus in 2023-24. ASA Thrive will provide varied opportunities for input as well as provide the surveys in multiple languages.
- 2.3: Parent Portal: ASA Thrive will provide parents progress reports through the Parent Portal and prompt them to access the portal on a frequent basis. ASA Thrive will improve communication between enrichment courses and parents in 2023-24.

2.4: Parent Events: ASA Thrive anticipates holding more monthly events to engage parents and continuing one academically-centered inperson event per trimester (e.g., triad conferences, student-led celebrations, STEAM Live).

## **Required Descriptions**

For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

Based on local data such as NWEA MAP, DIBELS, ESGI, and IXL, English Learners and low-income students are performing lower than the school wide mean in these same assessments. To address these achievement gaps, Allegiance incorporates intervention specialists, paraprofessionals, summer school, and before and after school tutoring to provide real time and targeted support to students requiring it.

All students will benefit from these actions and services. However, unduplicated students, low-income students, and English Learners will experience accelerated gains.

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

English Learners receive support from a dedicated English Learner Instructor. Improvements to EL support includes professional development in English Learner Development best practices and instructional materials.

Students of low-income households receive support through Title 1-funded positions. Allegiance is increasing the number of paraprofessionals and instructional assistants to support all students but specifically English learners and low-income students.

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and [Provide description here]low-income students, as applicable.
