

Field Trip/Excursion & Medical Authorization

Agreement information:

I hereby give my permission for my son/daughter to participate in approved sports activities/field trips/travel experiences, etc., to be conducted during the 2024-2025 school year.

I fully understand that my child is to abide by all rules and regulations governing conduct during the field trip. It is understood that any child determined to be in violation of these behavior standards may be sent home at the parent or guardian's expense.

I understand and acknowledge that, as provided in Education Code Section 35330, by consenting to allow my child to participate in this field trip, I shall by law, be deemed to have given up all claims against Allegiance STEAM Academy Thrive and each of its officers, employees and agents (hereinafter collectively referred to as "ASA") for any injury, accident, illness or death occurring during or by reason of the field trip. I also agree to relieve ASA of any responsibility for damage to or loss of my child's property occurring during or by reason of the field trip.

In the event of any illness or injury, I hereby consent to whatever x-ray, examination, anesthetic, medical, dental or surgical diagnosis or treatment and hospital care from a licensed physician and/or surgeon as deemed necessary for the safety and welfare of my child. I understand that the resulting expenses will be the responsibility of the parent(s), guardian(s), or participant. (Whenever possible, attempts will be made to contact the parent/guardian prior to taking any medical action.)

It is understood that this form and the individual field trip or activity form must be signed prior to my child's participation in the event.

Medications:

All medications, both prescription and nonprescription, must be accompanied by an order from a physician and a parental consent form. These forms must be completed prior to the field trip and be given to the staff member in charge of the field trip with the medications.

In the event of illness or accident, ASA will attempt to contact the student's parents/guardians first and if they are not available ASA will contact those listed as emergency contacts in the order provided.
